The Mini-Monsoon pump is capable of pumping up to an amazing 70 feet from ground level by simply connecting it to a 12 volt battery. Its reliable design is suitable for continuous sampling or purging of groundwater wells.

Features

- Passes sand, small rocks and debris without clogging or damaging the pump motors!
- Runs continuously without the need for a cool down! Unlike, the competition.
- Runs dry for up to two hours without motor damage!
- Contains a 400 hour motor life.
- Uses a sleek outside shell that minimizes well hang-ups.
- Comes ready for field use - with 90' of heavy-duty wire and alligator battery connectors.
